# We Are Moving!

## NEW ADDRESS

3330 State St NW

North Canton, OH 44720

Dear Valued Families,  
CBCP (and BYCP's before that) past and future have come to be, because you entrust us with  
your most valued treasure-your children.

We have operated at our current location since 2020. As this school year ends in May 2026, our rental contract will not be renewed with Evermore Community Church for the fall of 2026. The church is continuing to grow and would prefer to keep their space open for church activities.

Our mission has always been to provide a loving, quality, Christian environment for children to learn and grow into caring people. We are excited to continue that mission in our community!

Now that we have acquired a written agreement, we are able to announce that for the 26-27 school year, we will be renting space with GentleBrook, and joining their latest project- currently called "The Junction", about 3 miles from our current location. Our name will stay the same, as will our staff, procedures, curriculum, website, social media etc, but we will now have more space that is not shared, and an opportunity to grow and continue our 40+ year mission, as we reach more families in our community. In GentleBrook, we have found kindred spirits with shared goals and a desire to help us dream and grow. We are so excited for this new season, and we hope to take you all along with us!

We will be having an Open House at a later date in the fall for everyone who wishes to see our new facility-be sure to check our website + FB throughout the summer. The building will be getting some TLC before we move in. We are so excited to see where this new adventure takes us.

As always, your continued support means the world to us-we couldn't do what we do without all of you! We're looking forward to continuing to serve the families of this community.

Warmly,  
JoAnn and Mandy
