Looking ahead...

No school on November

25-30

October already! Thank you all for helping to make the start of our school year go as smoothly as possible. Your little ones are adjusting well to their teachers, friends, building and routine. You have done a terrific job of reassuring your children that you will reunite with them as soon as class is over. The children appear to feel secure and free to explore their new classroom, make new friends, and develop new skills. We are looking forward to a great school year and are so excited to explore the wonders of autumn this month!

Reminders

- Please continue to check your child's folders every day for important correspondence. Also, please make sure you are using the color coded folders that your teacher provided at the beginning of the year (yellow, red, green, or blue). They correspond with the color bin that your child puts their folder in every day, and it makes it much easier for them to know where things go-and we're practicing colors and sorting at the same time!
- Please try to make sure that your child is not in "slip on" shoes. We have a lot of stairs to contend with! Also, If your child is in a dress, please make sure that there are shorts or leggings underneath. Thank You!
- Our website is generally kept updated with the big event dates, so feel free to check it often, or refer to it if you forget a date, or address for field trips ect, or the monthly newsletter.

Pick Up/Drop Off Line:

Thank you for working with us as we all go through the learning curve of a new building! Please pull as close as possible to the school bus loop, and be sure that you are free of distractions and alert as teachers begin bringing children to cars. This ensures the safety of children and staff, and helps us get everyone out in as timely a manner as possible. There is a state law that prohibits the use of cell phones while operating a vehicle in a school zone area, unless it is in "hands free" voice activated mode. Another reminder that children must be in a weight appropriate carseat and not in the front seat of the vehicle before they leave the parking lot, and **MUST BE BUCKLED IN**. Remember that your children are watching, and your good example helps them learn respect for rules and regulations.

Reminders

- Tuition is due by the 5th of every month, and a \$30 late fee is applied after that date. This is payable by cash or check made out to CBCP sent in your child's folder, or by paying online through the school's website.
- This month we will be doing an ACTS OF KINDNESS fundraiser! Keep an eye out for this form-coming home very soon!
- We will also do a small catalog fundraiser.
- If your child does not yet have an enrollment form or immunization list in our files, we must have one immediately for them to continue attending school-according to State Law.

Harvest Parties

Wednesday/Thursday October 29/30

Your child may wear their non scary costumes to school today! If you have volunteered for this party, you are welcome to walk in with your child, and meet in the lobby to organize. All of our classes will have some normal classroom time, and the party rotations will start around 10:15. We're looking forward to a BOOtiful time of fall fun!

That was a lot! Thanks for bearing with us-we know the beginning of the year can really be hectic. We're so blessed with such wonderful families! Thank you for helping us provide your children with the best education we can.
